

Wholesale Payment Terms

Version 1.0 · Effective September 15, 2026

TWO WAYS TO PAY

- **Net 30.** List price, paid in full within 30 calendar days of delivery.
- **COD.** 10% off the invoice total, paid in full within 2 business days of delivery.

HOW TERMS WORK

Terms are set when the order is placed, and the invoice reflects them. A COD order is invoiced at the discounted total.

The COD window is measured by when funds land, not when payment is sent. If full payment has not landed by the close of the second business day, the COD invoice is replaced with a new Net 30 invoice at list price, due 30 calendar days from the original delivery date, with any partial payment credited.

HOW TO PAY

- ACH or wire from the licensee's own bank account.
- Business check on the licensee's own account. No post-dated or third-party checks.
- Cash at delivery.

Put the invoice number in the memo.

NOT ACCEPTED

QuickBooks Payments, QuickBooks Bill Pay, QuickBooks invoice payment links, and any other third-party payment platform or app. These are returned to sender, and the invoice keeps its original due date.

Banking details are never changed by email alone. Verify any change directly with your sales contact before sending funds.

NEW YORK CREDIT RULES

Unpaid Net 30 invoices require written default notice to the retailer and a report to OCM within 7 calendar days.

Retailers on OCM's C.O.D. list cannot be extended credit, which includes the 2 business day window, so payment must be in hand at or before delivery.
